

Member State (Finland) & The Strategy

14.11.2018 ESCP High Level Meeting, Toulouse

*Responsible traffic.
Courage and co-operation.*

Member State (Finland) CAA Perspective to the Strategy

- Consistent strategical framework
 - Alignment between the strategies is a great asset
 - Consistency with partners
 - Commonly agreed way forward in all different levels (international, national, organizational)
- Support coordination in aviation cybersecurity
 - Governance
 - Co-operation
 - Implementation of Information Security Management

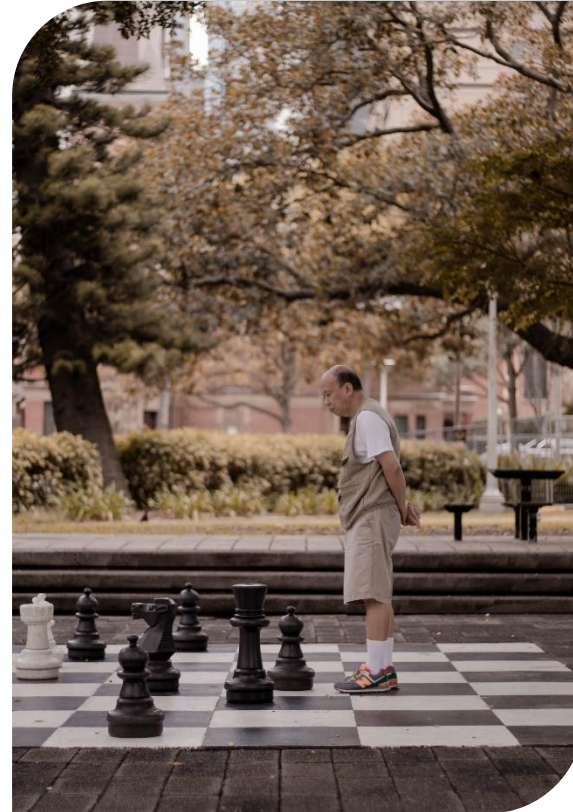

The Finnish CAA role in the Strategy

- Member State level coordination is crucially important in aviation cybersecurity
 - CAA Finland is having the key role
- Engagement & partnership with stakeholders
- Enhance Information Security Management integration to safety & security management in aviation

Successful Strategy Implementation

- Key factors
 - Communication
 - Practicality
 - Commitment
- Challenges
 - Information Security Management in aviation safety and security
- Follow up & Update
 - ESCP

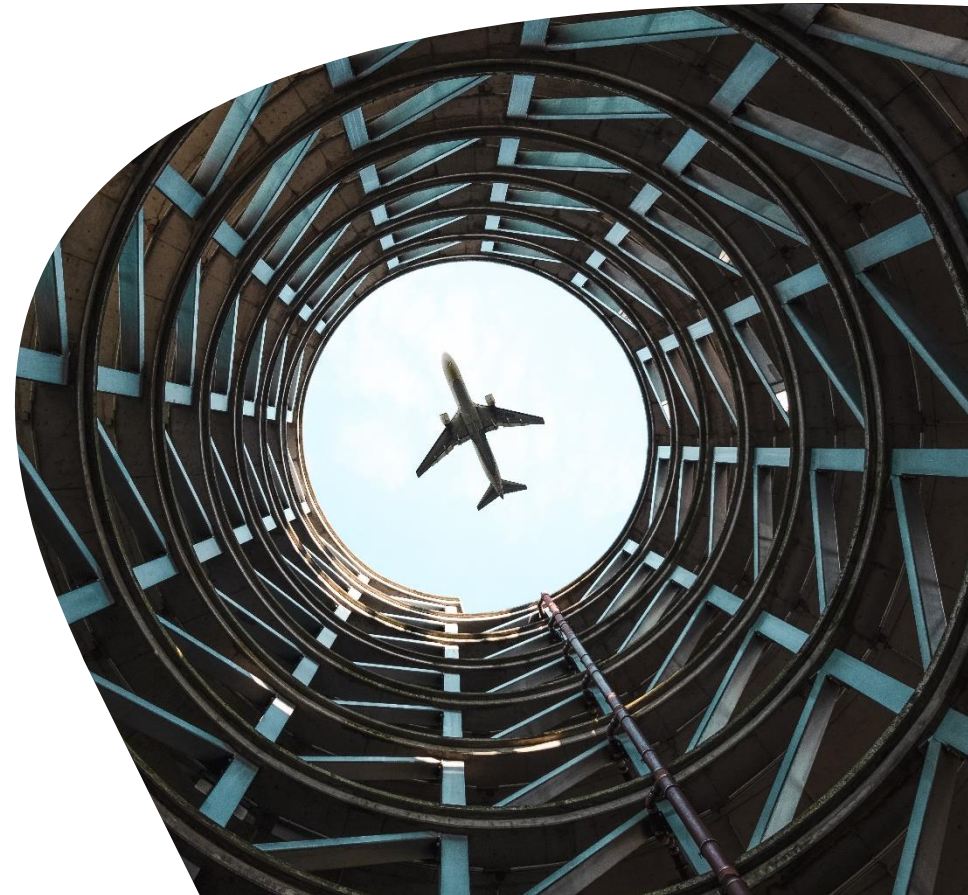

Thank you!
